When: Saturday, July 11, 2026 – 8 a.m. – 12 p.m.
Where: Coconino High School – 2801 N Izabel St, Flagstaff, AZ 86004

The City of Flagstaff hosted a Touch A Truck Event at Coconino High School. The event was family-friendly and interactive, featuring exploration options with a variety of vehicles including emergency, construction, utility, and transportation trucks. The master plan team hosted a booth outside among the other vendors and demonstration areas, highlighting popular amenities, events and programming options that could be included in the master plan. The team facilitated a dot-mocracy activity, allowing attendees to vote on their preferred events, programs and amenities. Visitors were encouraged to leave their “Big Idea” for the park spaces. Team members also shared information about the project and distributed business cards with a link to the project website, where participants could learn more, complete the survey, and access additional virtual outreach tools.
